

Programs

All programs start the week of January 7th and end June 24th 2013

The Partners In Education (PIE) and PIE Plus programs are delivered at Britannia Community Centre in East Vancouver and Edmonds Community School in Burnaby. All programs are free of charge and provide onsite early learning programming (**GR2R**) for the pre-school aged children of participants. Registration is required for all programs. Participants' access programming that provides them with courses that support their goals to become fluent in English conversation, reading and writing and in gaining the necessary requirements to complete a BC Adult Dogwood (high school diploma).
